Geology by Margaret D. Jenks, Oregon Department of Geology and Mineral Industries

Field work conducted in 1999

Reviewed by Bob Murray, Stan Mertzman, Reed Lewis, Mark Ferns, Ian Madin, and Vicki McConnell

Acknowledgements: The author is grateful to the ranchers and landowners throughout the mapped area who provided access to the land. Glenn and Linda Barnett were particularly helpful with information on local residents of Langell Valley. Gerald Grondin, Oregon Water Resources Department, provided water data, as well as numerous useful discussions concerning the water and geologic interpretations of the area. The Oregon State University, helped my Bryant Mountain. Ian Nadon, Oregon Department of Geology, helped digitize the map. Frank Hladky, Oregon Department of Geology and Mineral Industries, helped digitize the map. Frank Hladky, Oregon Department of Geology and Mineral Industries, helped digitize the map.

Cartography by Clark Newendorp
